Let's Root for the Home Soccer Team!

Go! Go! Azul Claro Numazu!

■ Go for the Victory! The Latter Half Stage Has Started!

On July 21 (National Holiday), the opening game of the latter-half stage for this season was played at ASHITAKA Athletic Stadium, where as many as 2,365 supporters came and cheered for their team. Azul Claro Numazu went up against Fagiano Okayama Next.

The seesawing game made the supporters excited and cheers rose every time when the ball went close to the goal. However, Azul Claro Numazu failed to find the net though they made 17 shots, whose number is more than that of the other. The game finally ended in a scoreless tie. All the players collapsed onto the ground at the moment the game was over. They ran around at full power in the pitch to the end. Their supporters stood up and gave a big applause to the players.

■ Remember the Players and Go to Cheer for them!
