Information from City Hall

“The Exemption System” for National Pension Premium

Applications & Inquiries: Resident Registration Division ☎ 055-934-4724

Those who have difficulty in paying pension premium because their previous-year income was less than a certain amount of money can utilize “the exemption system.” It is strongly recommended for the above-mentioned people to apply for the system, because the pension premium should not be left unpaid. When their applications are approved and accepted, the whole or a part of the pension premium should be exempted. Also only those who are under 30 years old can utilize “the Moratorium System on Premium Payment for Youth.” When their applications are approved and accepted, the period of premium payment should be postponed.

※2 years and 1 month before the time of application should be the period covered by the pension-premium exemption system.

※Please make inquiries about the details.

Amano Junji san, residing in Kanagawa Prefecture

“Field of water #013055” silk screen, stencil, paper 93×123cm

♣Acceptance comments

I am really honored to have been selected as the winner of the prestigious prize. I think it has given me confidence in what I have been working on so far and courage to create more works in the coming years.

♣Introduction of the work

I have been producing my works to express materiality in the colors printed on the paper. This work is one of the Water Series as you see in the title.

※”The exhibition of Yamaguchi Gen” is to be held at Mon Muse Numazu in January, 2016.
