Numazu San-san Ladies

Numazu San-san ladies advertise Numazu's attractive points at various events and tourism campaigns.

Two groups won 'San-san Numazu Award'!

'San-san Numazu Award' is given to a person or a group that contribute much to convey good points of Numazu to many people every year. Two groups, Ratohna Marketing and Team IKS, won this award this year.

The 24th San-san Numazu Ambassador

Makoto, a drummer of 'Sharan-Q', and Tominaga Miki, a free announcer, was chosen as "San-san Numazu Ambassador the other day. They are living in Heda now and give a lot of information about Numazu through a TV program.

Child Raising

Widen a Circle of Child-Raising ~ Numazu is the city where you can raise your children with a feeling of reassurance, and where you can expect the bright future ~

Inquiries: Call each phone number bellow

❀❀ Child-Raising Support Corner ❀❀

In this corner, you can get a lot of different information about the child-raising support service or events provided by the city government. Please make the most of this corner and enjoy raising children.

❀❀❀ Let Me Know, *U-u san!* <Vol. 9>❀❀❀

The Introduction to the Child-Raising Support Programs in Numazu City; here, we will introduce you to the various child-raising support programs provided by Numazu city in series.

▶Child-raising rabbit; *U-u san*◀

▶Baby rabbit; *Kuro chan*◀

☀Subsidy for the Cost of Infertility Treatment and *Fuiku-sho* (Being subject to have a miscarriage or a stillborn child) Treatment☀

For the purpose of reducing the economic burden of couples suffering from infertility, the city government subsidizes their medical expenses for the general infertility treatment, the specified

infertility treatment, *Fuiku-sho* treatment, or other infertility treatment.

Applicants: Couples who fulfill all the following requirements; ①A married couple on the register whose husband or wife has the resident registration of Numazu city. ②The total family income of the previous year is under 7,300,000 yen. ③The wife's age on the first day of the treatment period is under 43. ④The treatment needs to be for the first child or the second child.

Amount of subsidy: A half of the total cost for the infertility treatment including the health insurance treatment, whose maximum amount is 300,000 yen for a couple per year.

Subsidization period: For the total of 5 years

How to apply: Within the fiscal year when the treatment was given, necessary documents need to be submitted to Health Center.

※Please check the City Home Page for details about the treatments to be subsidized, how to apply, and others.

Applications & Inquiries: Health Promotion Division (Health Center) ☎055-951-3480

☀For Families with Three Children and More; the new system of reducing child-care fee and making no charge for child-care fee☀

As one of the measures against the population diminishment and the falling birthrate, the city government aims at increasing the number of the families with three children and more, focusing on the assistance measures for the families mentioned above as follows; the second child= the child-care fee for kindergartens, nursery schools, or designated day-care centers for children is reduced to half / the third child and the later children=no charge for child-care fee. Some limitations in the former system are to be removed with the introduction of the new system mentioned above.

Inquiries: Child Support Division ☎ 055-934-4826

*****Some of other assistance measures;** the third child or the later children's medical expenses covered by health insurance become free of charge / children in single-parent families can receive the subsidy for the purchase expense of *radoseru* (a school bag or a satchel) / and others***

Child raising

☀To promote Parenting Support☀

Inquiries: Child Support Division ☎055-934-4826

The number of children waiting to get into publicly certified nursery schools

To promote the reduction of children on waiting lists and enhance support for children and child-rearing, we provide financial support for nursery school and accelerate initiatives for enhancing human capital.

☀Mommy's Hotto Station (place where moms relieve and untangle concerns on child rearing)☀

Inquiries: Health Promotion Division (Health Center) ☎ 055-951-3480

※Support before and after childbirth

- Akachan Day

“Akachan Day” serves as venues for parents and children to engage in interpersonal exchanges. You can consult midwives on child-rearing issues

- Breastfeeding support by midwives at your home.

Information from City Hall

Moratorium on Payment of National Pension Premium

Applications & Inquiries: Resident Registration Division (Section of National Pension)

☎ 055-934-4724

Students are obliged to join National Pension plan when they turn twenty. However, it is difficult for most students to pay their pension premium due to the lack of income. Such students can be given moratorium on their payment of pension premium. We recommend strongly this system in order to receive an adequate pension in the future.

Applicants: Students whose annual income in the previous year is under 1,180,000 yen

What to bring: Personal seal, pension certificate, a copy of student identification card or a certificate of enrollment (original).

Where to apply: City Hall, 1F. Resident Registration Division or Citizens Information Office for each area.

※Application procedure for this system is required every fiscal year.

※Application is available for 2 years and 1 month before you apply.

Water Leak Investigation

Inquiries: Public Water Service Division ☎055-934-4860

Asking for Cooperation on Japanese Red Cross Society

Inquiries: Japan Red Cross Society Shizuoka Branch Numazu Office (in Social Welfare Division) ☎055-934-4824

Japanese Red Cross Society is expanding a variety of humanitarian supports. Its financial resources come from corporate bonds and donations of the members. In May, it is going to recruit new members who agree to pay at least 500 yen as corporate bond. Your cooperation will be appreciated.

New Subsidy for “Rainwater Infiltrating Vessel” “Rainwater Tank”

Inquiries and applications: River Maintenance Division ☎055-934-4760

New subsidy system has begun. It is given to people who start to use “Rainwater Infiltrating Vessel” “Rainwater Tank”. The former functions as soakaway and helps rainwater to penetrate into the earth and the latter keeps rainwater for use later. The two appliances are helpful to control water in flooded areas.

Applicants: people living in Ono, Negoya, Higashiide, New Town Hara, Oohira, and are going to buy and install the appliance.

*Ask the detail *See the website.

Caution! Beware of Photochemical Oxidant

Inquiries: Environmental Policy Division ☎055-934-4740

***What is photochemical oxidant?**

It is pollution substance produced when smoke and exhaust gas from factories and cars react in sunlight. Be careful on a hot, sunny, and wind less day because there is high level of contamination.

***When the warning is issued...**

It's preferable not to go out and to close the windows. If you have stinging eyes or a sore throat, wash your eyes and gargle.

*Photochemical Oxidant Prevention Term: May 1(Sun) ~ Sep.30 (Fri)
