Information

We’ve been collecting citizens’ voices for better development

Inquiries: Consultation Center for Citizens ☎ 055-934-4702

We’ve been collecting “citizens’ voices” such as suggestions on municipal administration through the website or suggestion boxes. We introduce some examples of the ‘voices’ reflected in municipal administration.

~Please cooperate with the poll among Numazu citizens.~

We’ll carry out the survey to grasp the present situation of the citizens, the residents’ opinions and so on. We are going to make use of the results so as to improve our policy. We choose citizens aged over 20 years at random and send the survey form at the end of June. Please cooperate.

~How to submit your ‘voice’ ~

* Come to City Hall (2F Consultation Center for Citizens)

* Type your ‘voice (opinion / suggestion)’ on the citizens’ voices section on the city website or mobile website

- * Write in to the suggestion boxes placed in Multi-purpose Space (City Hall 1F), the citizen information offices, and City Library.
- * Mail: Consultation Center for Citizens, City Hall, 〒410-8601
- * Phone & Fax: ☎ 055-934-4701 / Fax: 055-934-2593
- ** We'll answer your voice in two weeks.

An Example of the voices reflected in municipal administration

<p>Example</p> <p>Voice: Book donations are now accepted only at the City Library or Heda Library. If book donations are really necessary, I think other public facilities should accept book donations because of donors' convenience.</p> <p>Reflection: 15 Chiku Centers in Numazu which already have library service have decided to accept book donations.</p> <p>Inquiries: City Library Division ☎ 055-952-1234</p>

Information from Health Center

Applications & inquiries: Health Promotion Division ☎ 055-951-3480

Now it's a season when ticks are active. Try not to get bitten by ticks.

If you get bitten by ticks infected with germs, you can infrequently get severely diseased.

***What kind of symptoms?**

If you get a fever or rash two to eight days after getting bitten by ticks, see a doctor as soon as possible.

***How to prevent?**

- ① When you walk in the grass fields, you had better cover your skin with long sleeve shirts, trousers, or shoes.

② Bug spray is also effective in combination with other protecting measures.

Be Careful! Heatstroke!

Heatstroke starts to develop in rainy season and increases in July and August. Let's take preventative measures against it.

- ① Check room temperature with a thermometer
- ② Drink enough liquid before you feel thirsty.
- ③ Take a rest when you feel hot or tired.
- ④ Get enough nutrition to build up your strength.
