Target: Students with their preceding year income of below 1.18 million yen

Where: Resident Registration Division, 1F in City office or the section in charge in each municipal office

Details: There is a system called "Special Payment System for Students" to which students unable to pay National Pension Scheme fees can apply for the grace. In view of receiving the future pension, utilize the system.

What to bring: A seal (*hanko*), your pension handbook, your student ID card or its copy (both sides) and the original certificate of enrolment.

Notes:

※You need to renew the application every year.

※An application covering up to 2 years and a month before the application date is available.

Contact: ☎055-934-4724 Municipal division (National pension section)

★ Subsidize the treatment expenses for infertility and recurrent miscarriages

Aim: Reduce the financial burden for the general and special infertility and recurrent miscarriage treatments.

People who can apply: All the 4 requirements should be fulfilled:

1. The couple should be registered as a family and either the husband or the wife should be a registered citizen in Numazu at the time of the application.
2. The total income of the couple should not exceed 7 million 300 thousand yen per year. (The income in January to May from the past two years and the income from June to December from last year will be considered.)
3. The age of the wife should be under 43-year-old on the first day of treatment.
4. It should be the treatment for the first or the second child.

Amount of subsidy: Half the amount of all the medical treatment expenses. The upper limit is 300 thousand yen per year for one couple.

Assisting period: 5 years in total

How to apply: Fill out all the necessary official document and submit it directly by the last day of medical treatment.
